A unique property with income potential and panoramic views. Welcome to this exceptional residence on sought-after Miskow Close—an exquisite blend of mountain elegance, functionality and privacy. This thoughtfully designed 5-bedroom, 6-bathroom home includes amazing rental potential and an expansive outdoor space that captures panoramic mountain views from all sides. The top floor offers a open-concept kitchen, dining and living space that invites both relaxation and entertaining. A striking wall of windows frames the natural beauty outside, while the cozy fireplace adds warmth and charm. Over the garage sits a self contained 1-bedroom suite, complete with separate access and plenty of storage. It can easily be incorporated into the main home for more living space or a home office. The main home offers 3 spacious bedrooms, each with its own ensuite and a large space in the lower level ideal as a media room or gym. The lower level also offers another 1-bedroom suite with its own access and full kitchen, which can be rented separately used as part of the main home, ideal for a growing family or guests. Set on a generous 11,443 sqft lot backing onto serene green space, this home also boasts a large garage, spacious laundry/mud room and ample storage throughout. Rich in architectural detail the home is designed to embrace the mountain lifestyle. All of this, just steps from scenic hiking and biking trails.
