Throughout the main floor, you’ll find rich hardwood flooring, a cozy gas fireplace in the family room, and a gourmet kitchen featuring a new natural gas stove (2023), island with breakfast bar, with custom solid oak doors. The main floor also offers a convenient bedroom and laundry area – perfect for guests or multi-generational living. The primary suite upstairs is a luxurious retreat, boasting a stunning five-piece ensuite with a double soaker jetted tub, double vanities, and a steam shower setup (220 line and water supply ready). The basement level is an entertainer’s dream or private escape, with a dreamy custom built bar, 5th bedroom and 4th bathroom completed to the highest standard. Key highlights include: Double attached garage, two central air conditioners for year-round comfort, two skylights above the stairwell flooding the home with natural light, triple pane windows (Lux Windows & Glass, 2016; Cossins Windows, 2021), new triple pane patio door (Cossins, 2024), pergola-covered rear deck (8’x10’) wired with 220 for a hot tub, natural gas fireplace (not an insert, 2018), two energy-efficient natural gas furnaces and 50-gallon water tank, new washer & dryer (2024). Beyond the home, enjoy the large backyard, underground sprinkler system, and the peace of mind knowing that all Poly-B plumbing was replaced in December 2024. The list goes on and includes Lumenox lighting on the exterior. Families will appreciate being close to three excellent schools (St. Sylvester,
