Welcome to this 3 bed, 1 bath bungalow in Fairview! This property was built in 1959 & has only had one owner! They took fastidious care of their home by having no animals & not smoking. Over the years the owner's added a detached single garage, a fenced in backyard & a garden. The Main floor boasts a modest 900 sqft & the basement is an additional 800 sqft which has the potential to be renovated to your desire. The area is tough to beat; 5 minutes from Chinook mall, plenty of schools nearby for the little ones & it is a safe community! The lot is a good size & also has 2 parking pads in addition to the single garage. The furnace is 2022, roof is 2020 & there is even a water softener for Calgary's hard water. Book a showing today & see if this is the property for you!
