Welcome to this exquisite 2,398 sq ft executive bungalow, nestled on a beautifully manicured .56-acre lot backing directly onto a magnificent serene pond. With over 4,200 sq ft of fully developed living space, this show-stopping home blends refined luxury, thoughtful functionality, and unmatched outdoor beauty. The lush landscaping, stone waterfall, mature flowering & deciduous trees, and underground irrigation creates an estate-like feel. The private backyard oasis features fruit trees, perennial gardens, and uninterrupted pond views—your own personal retreat. Inside, this sprawling 4-bedroom, 4-bathroom home showcases timeless craftsmanship and elegance. The grand Primary Suite offers a gas fireplace, 6-piece ensuite, with an updated tile & glass walk-in shower, great soaker tub, with new updated heated floors, a roomy walk-in closet. The showcase feature of this incredible space is a private HEATED sunroom with brand-new hot tub—perfect for unwinding while soaking in the stunning natural views. This new space offers direct access out the courtyard as well. Designed for entertaining, enjoy both a formal living room and impressive dining area adorned in beautiful maple hardwood flooring with craftsman details such as crown molding & trim details. The elevated kitchen is a chef’s dream, with custom cabinetry, stone countertops, gas cooktop, built-in wall oven & microwave plus island seating. From both the large kitchen & breakfast nook windows, you will have a delightful view of the incredible yard as well! The main floor family room with custom built-ins and gas fireplace flows into a sun-drenched sunroom with tinted windows, ideal for your morning coffee or evening wine. A spacious

laundry/mudroom with cabinetry, sink, counters, and stand-up freezer adds daily convenience. The finished, heated triple attached garage offers epoxy flooring, storage, and workspace. Plus, the 24'x24' detached heated garage is ideal for a gym, studio, or lounging space—complete with solar panels that generate enough energy to offset your monthly power use! The lower level is equally impressive with 3 oversized bedrooms, 2 full bathrooms (one with a private ensuite & walk in closet), a home theatre with drop-down screen, as well as a cozy family room featuring a gas fireplace, stunning wet bar with full fridge, sink, dishwasher, and a charming wine area with brand-new fridges. There's even space for a home gym or office. Additional high-end upgrades include: Solar panels (house + detached garage), NEW SHINGLES (When the Solar Panels were added), Backup generator, Secondary sump pump, Radon mitigation system, New air-exchange system, In-floor heated tile in all the updated bathrooms, New furnace & hot water tank, central A/C & vacuum & with RV parking! This is more than a home—it's an executive lifestyle tailored for those who value privacy, beauty, and refined living. Properties of this caliber are rare. Don't miss your opportunity to own one of Westlake Village's finest homes
