Welcome to 23 Dobson Close — a beautifully updated home on a quiet close in one of Red Deer’s most sought-after areas. The main floor features hardwood and tile flooring, an open layout, a kitchen with granite countertops, a travertine backsplash, slate tile, an island, and a pantry. The dining area opens to a large deck overlooking a massive yard — big enough to build that second garage you’ve always wanted. The primary bedroom includes a walk-in closet and a 4-piece ensuite. The bright walkout basement offers oversized windows, in-floor heat, two bedrooms, an office, a bathroom, a spacious family room, and a gas fireplace for cosy evenings. The attached garage is also heated with in-floor heat. Close to schools like Mattie McCullough, St. Francis, and Hunting Hills, plus parks, trails, the Collicutt Centre, and shopping, this home combines space, comfort, and location.
