Welcome to 200 Magnolia Terrace – where style, space, and comfort come together in perfect harmony. Built in 2024 by Excel Homes, this immaculate, move-in-ready home is thoughtfully designed with modern families in mind. From the moment you step inside, the bright and airy foyer–complete with a large closet and durable luxury vinyl plank flooring–sets the tone for the rest of the home: functional, beautiful, and built for real life. Working from home or managing schoolwork is a breeze thanks to the spacious main floor office. Around the corner, the heart of the home awaits–a chef-inspired kitchen that dazzles with full-height white cabinetry, gleaming quartz countertops, a sleek glass backsplash, built-in oven and cooktop, upgraded appliances, and a massive walk-through pantry with a coffee bar and additional cabinetry. The living area is a showstopper, with oversized windows that fill the space with natural light, a modern fireplace framed by built-in shelving, and custom window coverings throughout. The adjacent dining area features an impressive three-panel sliding glass door that leads to a large backyard–perfect for gatherings or a quiet evening outdoors. Upstairs, a vaulted bonus room offers a flexible retreat for movie nights, play space, or a cozy lounge. The expansive primary suite is a true sanctuary, complete with a spa-like 5-piece ensuite featuring a walk-in shower, soaker tub, and dual vanities. Two large secondary bedrooms each come with walk-in closets–one nearly rivaling the primary in size–and share a well-appointed 4-piece bathroom. The convenient upper-floor laundry room makes daily chores a little easier. The professionally finished basement, completed by the builder, provides even more living space with a large family room, a fourth bedroom, a full bathroom, and plenty of

storage—ideal for guests or growing families. Additional features include a peace of mind builder’s warranty until September 2025 and a Certified New Home Warranty valid through September 2034. Located in the award-winning lake community of Mahogany, you’ll enjoy access to a 64-acre lake, sandy beaches, scenic walking paths, parks, playgrounds, shops, restaurants, and more. 200 Magnolia Terrace isn’t just a house—it’s the lifestyle you’ve been waiting for. Come see it for yourself and fall in love.
