Perfect for first time buyers, families, downsizers or investors looking to bring their creative ideas. The home is bright and spacious with a functional layout featuring a huge living room, good sized eat-in kitchen, 3 bedrooms up, 2 full bathrooms, fully developed basement with tons of storage and newer furnace (2021). The basement has a huge recreation room with cozy wood burning fireplace, retro bar for hosting parties, a full 3 piece bathroom and potential for a 4th bedroom (add egress window). The south facing backyard is a private oasis with a lovely sunroom that extends your outdoor season beyond the summer. The yard is immaculately maintained, low maintenance and fully fenced with a sunny spot behind the garage which would be the perfect location for a garden.
