Upstairs, you’ll find three generous sized bedrooms, each with its own walk-in closet, and a convenient upper-level laundry room. The fully finished basement includes a family room with a cozy gas fireplace, as well as a dedicated storage room that can easily be converted into a fourth bedroom with an ensuite bathroom. Additional main level upgrades include, renovated parquet flooring (pink oak), granite countertops, a new backsplash, and fresh paint. There is also a newer roof (2019). Enjoy outdoor living on the large south-facing deck, which has been freshly painted - ideal for summer gatherings. Front porch was also freshly painted.
