Sophistication and craftsmanship define this exceptional custom-designed residence located in the heart of Wildwood. Set on a beautiful, street just steps from the Bow River Valley and its scenic pathways, this impressive home offers a sunny west-facing backyard and a triple front-attached garage with oversized doors. Exposed aggregate concrete driveway preludes a welcoming front porch and an elegant foyer with a soaring cathedral ceiling. The open-concept main floor is ideal for both daily living and entertaining. A front office or flexible-use room provides a quiet workspace, while the spacious great room features a striking gas fireplace and flows seamlessly into the dining area. Sliding patio doors open to a sun-filled west-facing deck. The chef’s kitchen is the centrepiece of the home, showcasing a large island with seating, custom cabinetry, quartz countertops, high-end appliances, and a generous walk-in pantry. Wide-plank hardwood flooring, oversized windows, and ten-foot ceilings create a bright and inviting atmosphere. A stylish powder room and a thoughtfully designed mudroom complete the main level. Upstairs, you will find four spacious bedrooms, each with access to its own bathroom, along with a large bonus room and a full laundry room.
