Inclusions: Shed in the backyard

Located in the heart of Citadel at the end of a peaceful cul-de-sac, this generously sized home sits on an expansive pie-shaped lot backing directly onto open green space and sports fields—an ideal setting for families who value space and privacy. With nearly 3,000 sq.ft. of developed space, this home offers a functional layout with multiple living areas including a front flex room, large kitchen with island seating, and a bright dining nook overlooking the backyard. The walkout basement is fully developed with a rec room, fitness area, games space, and wet bar—ready to host family and friends. While some interior updates may be considered, the home presents a fantastic opportunity to personalize and add value. Conveniently close to schools, shopping, and commuter routes, this property combines size, location, and long-term potential in one of NW Calgary's most family-friendly communities.
