Fully developed and backing onto a park on a quiet street in Westpointe with AC! this 4-bedroom, 3-bathroom home offers excellent value with its functional layout and bright, open spaces. The large entryway leads up to a welcoming kitchen with an island that flows into the living room, highlighted by a gas fireplace. The main level features two bedrooms and a full bathroom, while the spacious primary suite is located above the garage and includes a full ensuite and walk-in closet. The finished basement offers a large rec room, another bedroom, and a full bathroom, providing extra space for family or guests. Outside, the fenced backyard features a large deck overlooking a playground and greenspace, and the home is wired with 30-amp service for added convenience. Come see the value this Westpointe home offers today!
