This stunning custom-built home in the highly sought-after community of Woodbine offers the perfect mix of elegance, comfort, and convenience. With soaring vaulted ceilings, an open-concept floor plan, and beautiful hardwood & ceramic tile flooring, this home is built to impress. The main floor is designed for living and entertaining with a spacious living room & dining room, a bright kitchen with island & breakfast bar, cozy family room with a gas fireplace, and a sunny breakfast nook with patio doors leading to your oversized deck. You’ll also love the convenience of a main floor laundry and a stylish half bath. Upstairs, a charming loft welcomes you to the bedroom level, where you’ll find three spacious bedrooms including a luxurious primary retreat complete with a walk-in closet, jetted tub, separate shower, and dual sinks. The fully finished lower level offers even more living space with a rec room & second fireplace, a 4th bedroom, and a smart walk-up entry to the garage—perfect for families or guests. Outside, enjoy your oversized lot with private deck and take advantage of being just steps from Fish Creek Park’s walking & biking trails, plus quick access to shopping and Costco!... Also a roof that only a year old!
