Welcome to this stunning five-bedroom home complete with a fully developed basement featuring a kitchenette—ideal for growing families, investors, or multi-generational living. The open-concept main floor is bright and inviting, showcasing a designer colour palette, neutral flooring, and crisp, modern accents. The chef-inspired kitchen is a true delight, offering abundant counter space, a large centre island, and a breakfast bar with seating for five. High-end stainless steel appliances, granite countertops, and both built-in and walk-through pantries ensure style and function are perfectly combined. The spacious dining room easily accommodates large family gatherings or elegant dinner parties. Step outside to the sunny southwest-facing backyard—fully fenced and featuring an expansive patio and hot tub—perfect for entertaining or simply relaxing while enjoying the sunset. A private office/den with double doors sits just off the main living area and could be converted into a formal dining room if desired. The main floor is completed by a stylish powder room, double coat closets, and a roomy back entry from the garage with a built-in bench. Upstairs, a generous bonus room with a private balcony and built-in desk offers an ideal space for work or play. The primary suite is a luxurious retreat, featuring a striking accent wall, spa-inspired ensuite with dual vanities, soaker tub, separate shower, and private water closet. The walk-in closet connects directly to the spacious laundry room, which includes ample cabinetry and a linen closet. Three additional bedrooms and a full bath complete the upper level. The fully finished lower level boasts 9-foot ceilings, large sunshine windows, and a massive open living area—perfect for both lounging and recreation. The builder-installed kitchenette features a dual-drawer dishwasher, full-sized fridge, microwave,

washer, and dryer. This level also includes a spacious bedroom with a full closet, storage shelving with bins, and a full bath. Additional storage is found in the kitchenette pantry and under the stairs. The utility room houses two furnaces (each with its own A/C unit) and two oversized hot water tanks—ensuring comfort and efficiency year-round. An oversized double attached garage, fully landscaped yard, and prime location complete the package. Situated on a quiet street with a sunny backyard, this home is just a short walk to Thanos Playground and Copper Pond, close to both public and private schools, and minutes from shops and restaurants at McKenzie Towne Centre and along 130th Avenue. A remarkable home with incredible flexibility—book your private showing today!
