Welcome to your next chapter in King’s Heights — where family connection meets modern comfort. This stunning 5-bedroom, 4- full bathroom home offers of well-designed living space, backing onto peaceful pond views and walking paths. You’re greeted by vaulted ceilings and a bright front flex space — ideal for entertaining and guests visiting. The kitchen and dining area at the back flow seamlessly into a sunken great room that’s built for relaxing evenings and family time. Upstairs, you’ll find three spacious bedrooms, including a primary suite with a large ensuite and walk-in closet. The lower level offers even more space for guests, teenagers, or hobbies — plus ample storage and an oversized garage. Extras like air conditioning and a modern garage door complete the package. This home offers flexibility, function, and a beautiful natural setting. Come see how it fits your lifestyle. (the main and lower level above grade measurements have been added together in the main level measurements
