This updated 2-storey home offers incredible value, and flexibility. The main floor welcomes you with a bright bay window that fills the living space with natural light, and a beautifully renovated kitchen featuring quartz countertops, stainless steel appliances, full-height cabinetry, and a sleek tile backsplash. A custom media wall in the living area adds modern style and functionality. Upstairs features three bedrooms, including a large primary bedroom with dual his-and-her closets. The full bathroom offers dual access—conveniently connecting to both the hallway and the primary bedroom—making it feel like a semi-private ensuite. The basement offers a separate side entrance and was previously configured as an illegal 1-bedroom suite. While the counters and appliances have been removed, all rough-ins remain—including plumbing for a sink and a hood fan—making it easy to reinstall and create a potential suite (subject to city approval). Perfect for first-time buyers wanting a mortgage helper or investors looking for a rental-ready property with future suite potential!
