Upstairs, the spacious primary suite includes a three piece ensuite and built in closet organization, with two additional bedrooms ready for family, guests, or a home office. The rare side by side double garage means no more juggling cars, and being an end unit adds extra windows and privacy. Residents can enjoy the option to rent the complex’s rec room as well as a cheap membership to the gym , with both located in the nearby apartment building. Condo fees remain far lower than most complexes of this age, and a healthy reserve fund ensures the property is very well managed. From here, you’re steps to neighbourhood parks, playgrounds, and the Southland Leisure Centre, with Fish Creek Provincial Park and South Glenmore Park just minutes away. Quick access to Stoney Trail connects you effortlessly to the rest of the city, making this a home where comfort, convenience, and community come together.
