The main floor has a large living room, kitchen adjacent to the dining room, 3 good sized bedrooms and the main bath. There is a separate rear entrance to access the basement which offers excellent potential for a future secondary suite (with city approval). The basement development currently has a large rec room with wet bar, 2 bedrooms, 4 piece bath and utility/storage area. Outside you'll find a good size yard with mature landscaping and a double detached garage. The exterior of the home was painted in 2016, shingles updated in 2012 and eavestroughs updated about 2-3 years ago. Some rooms have been virtually staged.
