This updated townhome in Stonehurst Place has the kind of upgrades you’ll love right away — engineered hardwood on the main floor, a kitchen with granite counters, newer appliances, and a 3 sided fireplace that ties the living and dining spaces together. Morning coffee is even better on your east-facing deck overlooking green space. Upstairs offer a primary suite with a massive walk-in closet and private 4 piece ensuite. A second bedroom and 4 piece bath. Downstairs adds function with laundry, storage, and a new hot water tank installed in 2023. Add in the attached garage, low condo fees and this one is tough to beat. The location seals the deal — steps to schools, recreation, and transit/LRT, with Aspen Landing and West Market Square just minutes away. Whether it’s downtown in ten or out of town in ten, this spot makes life easy.
