Welcome to 1015 Russet Rd NE—an incredible opportunity in the heart of Renfrew! This unique property sits on a large 6,700+ sq ft lot and offers two fully independent homes, including a legal garage suite built in 2018. The 1947-built storey and a half home has been updated over the years and is still full of charm and character, featuring 2 bedrooms, 1 bathroom, and cozy living spaces that are perfect for a homeowner who values personality in their space. Out back, you’ll find a double detached garage and an oversized single garage that supports the suite above it. The garage suite is a standout—spacious, modern, and flooded with natural light. It includes 2 bedrooms, 1 bathroom, a full kitchen, and a private balcony, making it ideal for rental income, multi-generational living, or a home office setup. Whether you’re an investor, a homeowner looking for mortgage help, or someone needing space for extended family, this is a smart and flexible option in one of Calgary’s most desirable inner-city neighbourhoods. Located minutes from downtown, schools, parks, and local shops.
