Welcome to this bright and spacious 2 bedroom, 2 bathroom condo offering 970 sq. ft. of comfortable living space. This well-designed unit comes with two parking stalls—a titled underground stall plus a convenient surface stall located right across from the front entrance. Although it’s a main floor unit, the building’s design gives you a raised balcony for added privacy and security. The balcony is generously sized, perfect for relaxing or entertaining, and includes a handy storage closet. Inside, you’ll love the open-concept layout filled with natural light. The kitchen features new appliances and a breakfast bar, opening to the dining and living areas for easy flow. The primary suite comfortably fits a king-size bed and offers a walk-through closet leading to your private 4-piece ensuite. A second bedroom and full bathroom provide plenty of space for family, guests, or a home office, while in-suite laundry adds everyday convenience. The entryway is welcoming, with room for a bench and storage, keeping everything organized. This well-managed building also offers ample visitor parking, and best of all—your condo fees include all utilities, making budgeting a breeze. Located close to all amenities, shops, restaurants, and public transit, this home checks all the boxes for both lifestyle and convenience.
