Highlights include hardwood and tile flooring, granite countertops throughout, and an open concept kitchen with a large granite island, black stainless steel appliances, induction cooktop, convection wall oven, warming oven, built in microwave, beautiful cabinetry, and a stunning tile backsplash that flows through the kitchen and dining area. The living room features a wood-burning fireplace, while the sitting room offers a gas fireplace. The primary suite includes a walk-in closet and a luxury ensuite with full bathroom and a deep soaker jet tub in its own private area. Two additional main floor bedrooms, a full bathroom, a half bathroom and the laundry area complete the main level. The basement is nearly finished with a large recreation room, cold room, and utility room with two furnaces, water softener, and A/C. The attached oversized double garage is heated with radiant heat. A second residence, a 2014 manufactured home, offers 3 bedrooms, 2 full bathrooms, air conditioning, washer/dryer, a walk-in pantry, a primary suite with walk-in closet, and a deep corner jetted tub.
