Experience comfort and style in the beautifully designed Denali 6. Built by a trusted builder with over 70 years of experience, this home showcases on-trend, designer-curated interior selections tailored for a home that feels personalized to you. This energy-efficient home is Built Green certified and includes triple-pane windows, a high-efficiency furnace, and a solar chase for a solar-ready setup. With blower door testing that may be eligible for up to 25% mortgage insurance savings, plus an electric car charger rough-in, it's designed for sustainable, future-forward living. Featuring a full package of smart home technology, this home includes a programmable thermostat, ring camera doorbell, smart front door lock, smart and motion-activated switches—all seamlessly controlled via an Amazon Alexa touchscreen hub.. The fully developed basement features a TWO BEDROOM LEGAL SUITE including full bathroom, 9' ceilings, and convenient side entrance—perfect for extended family living. On the main floor, you'll find a bedroom and full bath with walk-in shower. The executive kitchen showcases built-in stainless steel appliances and opens to a bright living space with a gas fireplace. Upstairs offers a vaulted bonus room and a luxurious 5-piece ensuite with tiled walk-in shower and soaker tub. Many windows throughout and a rear deck complete this exceptional home.
