Extensively upgraded 5-bedroom Bungalow with heated 30' garage, and a Yard that can only be described as an OASIS. All this in a great location, quiet neighbourhood, close to playgrounds and West End shopping. The upstairs features a large living room with cozy fireplace and a good-sized dining room, the large master bedroom offers a two-piece en-suite bathroom and a (massive!) walk-in closet, there are also 2 more bedrooms, a 4-pc bathroom and the cozy kitchen overlooking the absolutely gorgeous backyard. The basement is partly finished and offers 2 more good-sized bedrooms. But still offers the opportunity to give it your personal touch. On the outside you will find an amazingly landscaped front & backyard with brand new 6' fence, and a huge deck. Awesome garage/workshop (used to be a woodworking shop, so 220V, storage etc.) - heated 22'/20' x 30' structure with upper storage and attached 8' x 12' storage shed. Welcome Home!
