Only a few Broadview's left! Welcome to your dream single-level residence in the sky overlooking the river at The Kenten. Masterfully designed by architects Davignon and Martin, The Broadview is designed to give Calgarians an inner-city experience without sacrificing the comforts appreciated in an executive home. At 48 feet of unobstructed river frontage, this could be described as having a city lot in the sky to build your custom home. As you step in, you are greeted by a direct view of the river; floor to ceiling triple-pane windows; a 22 foot wide spacious open concept kitchen, living, and dining rooms designed to entertain your family and friends. Enjoy a gourmet kitchen with Sub-Zero & Wolf appliances including a dedicated fridge and freezer, a butler's pantry, an abundance of storage, a bar, wine wall, and fireplace that all flow towards your opening wall system. Step out onto your 200 square foot terrace overlooking the beautiful Bow River. Enjoy a spacious primary bedroom with custom millwork, walk-in closet, and 6 piece ensuite bathroom with a floating tub, heated floors, and double shower with steam. The second bedroom comes with a built-in murphy bed with room for a desk and also overlooks the river. An additional bathroom and laundry room complete the residence accompanied by 2 bike racks, 2 titled storage lockers, and 2 titled parking stalls. There are 3 Modern palettes to choose from that can be further customized to your liking. The Kenten features over 8,000 square feet of amenities including a sky lounge, gym overlooking Kensington, golf simulator, sauna, hot tub, concierge, guest suites, car wash, and more. Explore a simplified lock and leave lifestyle you didn't know was possible, with 250+ shops and restaurants in Kensington and river pathways stemming from one end of the city to the other. Now in construction, our sales center is open for viewings

by private appointment. With only 44 residences, don't miss this once in a lifetime opportunity to live at the most interesting corner in Calgary.
