This stunning two storey home with a walkout basement blends luxury and comfort in a quiet cul-de-sac with panoramic views and a beautifully landscaped backyard. The main floor boasts 9 foot ceilings, a gas fireplace, custom epoxy resin island, new microwave and fridge, walk through pantry, abundant storage, and a massive 26 by 14 foot upper deck with natural gas fittings and BBQ included. Upstairs features a spacious bonus room with built-ins, a grand master suite with French doors, walk in closet with custom shelvings, and spa-style ensuite with soaker tub and body-spray shower, plus two additional bedrooms and a four piece main bath. The fully finished walkout basement offers an open TV room with stone feature wall, surround sound, media console, bar, fourth bedroom, and a steam-room shower. The oversized heated garage includes built in shelving, while upgrades like central A/C, central vacuum, full-house speaker system and premium finishes elevate this home throughout. Hail damage repairs have been scheduled for completion this fall with materials already ordered, and will include a new roof and siding - ensuring this home is as exceptional as it is move-in ready.
