Former show home in desirable Evanston with upgrades throughout, offering 2,472 sq. ft. RMS living space plus a walkout basement. The main floor features 9 ft ceilings, a spacious foyer, open living and dining areas, and a chef-inspired kitchen with walk-through pantry. A mudroom with laundry connects directly to the garage for convenience. The upper level includes a vaulted bonus room, perfect for family time, and a luxurious primary suite with French doors. The ensuite offers a soaker tub, stand-up shower, dual sinks, skylight, and a large walk-in closet. Two additional bedrooms with generous closets and wide hallways provide ample room for a growing family. The walkout basement is partially finished with framing, electrical, HVAC, internet, and plumbing all completed, fully inspected, and approved by the City. This also includes high-end bathroom fixtures—uninstalled water closet, vanity, and glass shower cubicle—which are part of the sale, adding exceptional value and future potential. A private backyard offers space for kids to play and enjoy. Close to schools, parks, shopping, and all amenities, this home blends elegance, comfort, and functionality in a prime location.
