You do not have to lug dirty clothes up and down as the laundry is on the main floor. Upstairs, you will find three bedrooms including a huge master bedroom with a walk in closet and a three piece en suite. From the dining area, you walk onto a deck with a pergola that has motorized blinds and looks onto a beautiful West facing back yard. The yard is a gardener's dream with its raised and irrigated beds. The professionally built shed/greenhouse is powered and is the perfect 'she shed' or greenhouse.
