Step into the Beaumont – a home designed with elevated style and everyday function. Built by a trusted builder with over 70 years of experience, this home showcases on-trend, designer-curated interior selections tailored for a home that feels personalized to you. Energy efficient and smart home features, plus moving concierge services included in each home. The executive kitchen features built-in stainless steel appliances, gas cooktop, pendant lighting, and a walk-through pantry. Enjoy the main floor flex room with barn door, mudroom built-in lockers, and LVP flooring throughout the main floor and all bathrooms. The great room offers a cozy gas fireplace with maple mantle and tile surround. Upstairs boasts a bonus room filled with natural light, upper floor laundry and a 5-piece ensuite with soaker tub, walk-in shower and dual vanities with drawer banks. This energy-efficient home is Built Green certified and includes triple-pane windows, a high-efficiency furnace, and a solar chase for a solar-ready setup. With blower door testing, plus an electric car charger rough-in, it’s designed for sustainable, future-forward living. Featuring a full range of smart home technology, this home includes a programmable thermostat, ring camera doorbell, smart front door lock, smart and motion-activated switches—all seamlessly controlled via an Amazon Alexa touchscreen hub.
