56-ft frontage x 120-ft, south-backing, directly across from a large park with playground, tons of street parking, a newly paved alley on the way, and walking distance to three schools—what more could a developer ask for? This prime lot is ideal for two extra-wide infills (each 3 ft wider than “standard”), and the existing home is perfectly livable or rentable while you work through the permitting process. Nearby schools include Killarney School (CBE Montessori K–6), Holy Name School (Catholic K–6 French Immersion), and A.E. Cross School (CBE 7–9). The park and community spirit are fantastic; for example, every year the neighbours get together and build an outdoor rink. Opportunities like this are rare—don’t miss your chance!
