Welcome to this 2 bedroom/2 bathroom unit in the heart of Bridlewood with super easy and quick access to Stoney Trail! This unit has a great functional open floor plan with the kitchen being the focal point and has a newer fridge and dishwasher (stainless steel), updated lights, white cabinets and tiled backsplash. Beside the kitchen is an eating area and a large living room with access to the great sized and sunny west facing balcony! The primary bedroom has a walk in closet and a full ensuite bathroom for convenience and there is a second bedroom and another full bathroom as well! This unit is a bit of a unicorn as it has central A/C and the owner believes he may be only one of a couple of units that have it (grandfathered in) there is also in suite laundry, titled underground heated parking with a storage locker beside it and the parking stall is DIRECTLY beside the door to the elevator - so just a few steps! Condo fees include all the utilities (heat, water & electricity) Perfect for first time buyers, someone looking to downsize or a great revenue property! This home is also conveniently located close to multiple shops, schools, parks, playgrounds, Costco, restaurants, pubs, Fish Creek park and so much more! This one is a winner and priced competitively!
