This is the property you have been waiting for to come back on the market! Gorgeous 5 bedroom 3.5 bathrooms in the highly sought after community of EDMONTON. This home boasts of tons of appealing features. Walk in to the open-to-below entrance and make your way up to the main floor with living room, formal dining that flows into a big kitchen. From there the sunroom/solarium is beautiful sit out next to the large deck (built in 2020). On the main floor there is additional cozy family room, 2pc guest bath and a large den/home office with built in bookcase. On the Upper level, there is a huge primary bedroom with a 5pc ensuite spa. There are other good size rooms, a laundry room and another 3pc bathroom that complete this level. On the lower level there is another bedroom with a 3pc bathroom for your guests, situated in a spacious walkout basement with huge rec room and mudroom. Natural light floods the entire property through huge windows. The Poly B has been replaced recently - all through the house. Two high efficiency TRANE furnaces were installed Dec 2021 and Jan 2022, as well as rough in for central air-conditioning. Hot water tank was replaced June 2018. This home is well situated within proximity of tons of infrastructure - schools, shopping, transit systems.
