Here’s an immaculate home in a quite neighborhood in Anders Park. A 4 level with hardwood throughout – 4 bedrooms and 3 baths and many upgrades. Features include country style kitchen with eat in bar plus upgraded cupboards and appliances. There’s a formal dining area with east facing patio doors that open to a very private deck and back yard. Inside upgrades include interior décor, 2 hi efficiency furnaces, bath upgrades, and basement development. The fourth level features a large rec room and pool table. Third level includes laundry, guest bedroom, and family room while main floor includes a very well turned out living room. The attached oversized attached garage opens onto a park like for a back yard with numerous trees, shrubs and garden shed. All in all this home is a pleasure to show.
