This cute as a button bi-level is located in the popular and convenient community of Mission Heights, close to excellent schools, the Eastlink Centre, shopping, and the Muskoseepi Trails. The main floor offers two bedrooms, a full bathroom with convenient sliding door access from the primary bedroom, and an open-concept living, dining, and kitchen area that’s perfect for both everyday living and entertaining. The lower level includes a third bedroom, another full bathroom, and additional living space—ideal for guests, hobbies, or a cozy family room. Outside, the property features a small front yard with a mature crab apple tree, a side deck with access from the side entry, and a backyard complete with a stone pathway. Two storage sheds provide plenty of room for tools and seasonal items, and back alley access adds even more convenience. A great opportunity to own in Mission Heights, with plenty of potential to make it your own.
