One of the best things about Kensington is The Theodore. Situated on the corner of Gladstone and 10th, across from Safeway and LRT, steps from a plethora of artisan shops and moments from the Bow River and pathways, down the hill from SAIT, a short drive to Foothills hospital and UofC and a short walk to work in the core, this building is perfect. This unit has much to offer including high ceilings, built in AC, a large balcony with afternoon sun, gas stove, in-suite laundry and titled parking. This unit is perfect for investors (already tenanted) single professionals or a couple looking to get into the market. Work from home or set up a yoga retreat in your den. The rooftop patio is equipped with 2 bbq, outstanding views (you can see both the mountains and downtown) and lots of seating. You will find a first come first serve bike storage on the first floor. Condo allows one pet per unit, dogs under 25lb. Set up a viewing today with your favourite Realtor or contact me directly for a showing.
