Stylish Inner-City Townhome in Crescent Heights | Vaulted Ceilings | Gas Fireplace | Live in Crescent Heights, one of Calgary’s most desirable inner-city neighbourhoods, just minutes from downtown, the Bow River pathways, and an incredible variety of cafés, restaurants, and local amenities. This architecturally distinctive multi-level townhome is a rare find, with no shared walls in the primary living spaces and no neighbours above or below. Inside, you’re greeted by soaring vaulted ceilings, natural light throughout, and a warm mid-century aesthetic with exposed brick, wood detailing, and a striking feature fireplace. The inviting living room opens onto a private balcony framed by mature trees—ideal for morning coffee or an evening glass of wine. The bright white kitchen offers a Bertazzoni gas range, ample cabinetry, and sightlines through the dining area for easy entertaining. Upstairs, the lofted office, complete with skylight, overlooks the living space below, creating a perfect work-from-home environment. The spacious primary bedroom enjoys large windows, vaulted ceilings, and easy access to the updated 4-piece bath. Downstairs, a fully finished lower level offers a large bedroom, generous storage, and laundry area. Additional highlights include assigned parking, modern lighting, and a well-managed, freshly painted complex with low condo fees and a peaceful courtyard setting. As a bonus, enjoy optional use of a garden bed with south sun exposure. Experience the best of urban living with a quiet residential feel on a traffic-calmed street—just steps from Centre Street transit, Rotary Park, and schools, with quick access to downtown and major routes.
