Rangeview is Calgary’s first garden-to-table community. This community was designed to inspire living through food celebration. Its walkable streets, open spaces, and gardens are becoming vibrant gathering places for neighbors to connect. Residents can walk, jog, or cycle on the network of pathways that weave through the community’s linear park system. Future plans include over 23 acres of reconstructed wetlands and ponds, creative playground areas, outdoor classrooms, interpretive areas, and much more. Residents will collaborate to bring life to Rangeview’s food-producing and pollinator gardens, orchards, and greenhouse. Market Square will serve as Rangeview’s community hub for gathering, connecting, and sharing, offering an inviting area for community events, food markets, and celebrations with open lawns and playgrounds. An Urban Village is also

anticipated, featuring restaurants, boutiques, and services.
