Bright, large rooms, with custom architectural design, grand roof lines and large windows, drink in those huge panoramic views. You are welcomed though the custom, arched Cherry door, to a refined flagstone, entrance, into gleaming cherry hardwood floors, to a well planned, wood accented, open floor plan, and a "Wow factor" view from every room. As winter comes, nothing warms your heart and soul, like curling up beside one of the 2 log burning, real stone, fireplaces in the main Living room or Rec room downstairs. Imagine sipping your morning coffee in the sunshine, on the wraparound cedar deck, as you watch horses grazing in the pasture or the kids playing in the fully landscaped yard that has underground sprinklers. The low maintenance exterior has adobe style stucco, stone siding, covered verandas, and clay tile roof. Like to entertain? This perfect home and horse facility is in the center of a wildlife corridor. You'll delight in the sounds of the elk bugling and the coyotes yipping on this 160 acre, unsubdivided quarter, that has a nice mix of aspen pockets, lush open grass meadow, and a "top of the world" 360 degree, city to mountain view.
