There's even a kitchenette area—perfect for sleepovers, games nights, or teens needing their own space. You'll also find a spacious laundry room with a sink, front-load washer and dryer, and extra storage space. Upgrades include fresh paint on the main level, LED lighting, upgraded furnace (2022) & hot water tank (2021), newer windows and roof. Outside, enjoy the massive backyard with plenty of room to play, garden, or relax with east and west sun exposure. There's a beautiful patio area with custom concrete work, space for summer BBQs, and mature trees (including a great climbing tree with a swing!) The yard is fully fenced—perfect for kids and pets. Parking and storage are no problem here—with a single attached garage plus a newer, heated and insulated oversized double detached garage with extra room for bikes, tools, or a workshop. You'll love being close to top-rated schools, parks, the Glenmore Reservoir, and just a quick drive to downtown. This
