Welcome to the Katilina by Shane Homes — currently under construction with possession expected in late Summer 2025. This beautifully designed 4-bedroom, 3-bathroom home features a main floor bedroom with full bath. The open-concept layout includes a spice kitchen, included rear deck, and is built on a sunshine basement for added natural light. Upstairs, you’ll find 3 spacious bedrooms, each with a walk-in closet, a central family room, and a luxurious 5-piece ensuite in the primary bedroom . High-end finishes throughout include LVP flooring on the main, quartz countertops, and an oversized garage. Photos are for illustrative purposes only and represent a similar finished home.
